Forecast For East of England
Issued by Met Office Exeter
at 0400 on Saturday 19 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showery weather continues, heavy with thunder at times.

Today:
Scattered cloud at first, quickly thickening and becoming overcast during the morning. Staying dry for much of the area during the day, with a band of rain pushing northwards late afternoon. Maximum temperature 17 deg C (63 deg F).

Tonight:
Cloudy during the evening, with some showers moving northwards across the region later. These may be heavy with a risk of thunder towards the end of the night. Minimum temperature 13 deg C (55 deg F).

Sunday:
Showers clearing early in the morning to leave sunny spells across East Anglia. Staying cloudier elsewhere with possible showers later in the west. Maximum temperature 17 deg C (63 deg F).

Outlook for Monday to Wednesday:
Dry at first Monday, quickly deteriorating with frequent heavy showers in the south. Risk of showers continuing Tuesday, but turning dry and sunny late in the day. Sunny spells Wednesday.
